

My Account—Calendar

Using the link for **My Account**, you can make changes to your **Personal Calendar**.

Calendar

Using the link for **Calendar** allows you to view all events on your personal calendar. These events come from school calendar events and classroom calendar events. Your personal calendar will automatically update with events posted on the classroom calendar of each classroom page your student is enrolled in.

You can also add events to your personal calendar using the **Add Event** link. Your personal calendar is only visible to you.
